Monmouth Comprehensive School Boat Club
"Monmouth Half Marathon 2019"
Saturday 23rd March

Name: Sheet no: 1

Members of the Boat Club will run/walk a half marathon (13 miles) through Monmouth and the surrounding area. The event will raise money for the "Friends of Monmouth Comprehensive School Boat Club" (registered charity no. 1150581). All the funds raised will go to this charity. The charity is a vital support for the activities of the boat club, allowing the membership fees to be kept as low as possible and giving the best possible opportunities for all athletes to train and race regularly, developing their personal skills of determination and focus in an enjoyable environment. In addition to these essential running costs, equipment has also been purchased or refurbished with the proceeds of the event in recent years.

GIFT AID: This is a fantastic extra support for the club, with £1,020 added to the final total for our event from Gift Aid in 2018. If you are a UK tax payer, please tick the box and give the basic address details needed so we may reclaim a further 25% from HMRC.
Just Giving: donations can be made online at https://www.justgiving.com/monmouthboatclub/
Text giving: Text ROWM16 £10 to 70070 to donate to Friends of MCSBC.
